New Headquarters

As was discussed in the June National Pachyderm Newsletter the Pachyderm National Headquarters has been moved from Montana to St. Charles Missouri. The new office is now open although I am sure it will take a week or two for Arlene to get everything organized in the new office.

Although the mail will be forwarded from the Great Falls addresses, we would ask that you adjust your records and begin to send materials directly to the new office as soon as is possible. The new address is:

National Federation of Pachyderm Clubs
1555 Kisker Road
Suite 150
St. Charles, MO 63304

The watts line number remains the same, 888-gopachy, and Arlene's email address will be ahogue@pachyderms.org

Arlene Hogue of St. Charles has been selected to be the new Executive Director for Pachyderm and she will be the voice on the phone when you call the office from now on. I am sure you will enjoy working with her. On behalf of Mary Jolley and myself, thank you for letting us serve you while the office was in Montana and best wishes to you and your local Pachyderm Club.

Best Wishes,

Joe Briggs
